

If you are a Marlboro Full Flavor smoker, you can earn up to 2-thousand-seven hundred dollars. That's right. 2-thousand, seven-hundred dollars. How? Simple. Just call 1-877-334-30-20. While you're looking for a pen or pencil to write this number down, you

should know that your participation in this research study will assist medical research.

You could earn up to 27-hundred dollars and help medical research in this study of

smokers. Ya' see, MDS Pharma Services - one of the most experienced Clinical

Research Organizations in the world - needs your help as a study participant. If you

smoke Marlboro Full Flavor cigarettes, and are between the ages of 21 and 65

health, you should call 1-877-334-30-20. Did ya' get that? 1-877-334-30-20. All studies

are done in a clinical setting and medically supervised by MD doctors and nurses.

For complete details, call 1-877-334-30-20. Earn up to 27-hundred

dollars and assist medical research. Call MDS Pharma Services at 1-877-334-30-20.

That's 1-877-334-30-20.
